## CHRISTMAS

Hurry-Time Is Here Now, Sure Enough

Have you noticed how smoothly and pleasantly shopping goes at WANAMAKER'S? Everybody says it's the busiest store in Greater New York, and certainly we are doing the largest business we ever knew.

System does it—long experience, and profiting by it; care for every detail of the customers' comfort; stocks intelligently, almost scientifically, arranged.

In the last hurry and rush of Christmas week, for comfort, for satisfaction, to get things quickly, get the best, and pay the least

Come to WANAMAKER'S.

## Men's Fancy Waistcoats

made to measure before Christmas, at a saving of two and a half to four and a half dollars each. The import order for these Vestings called for delivery October First; but they have just arrived; so, out they must go in a jiffy, and you can get as much of the benefit as you desire.

We will make them up to your measure, single or double-breasted, at \$7.50; though they should have brought \$10 and \$12.

Orders taken today will be filled before Christmas.

Merchant Tailoring Store, Second floor, 4th Ave.

## A Dress for a Christmas Gift?

Certainly, if it be handsome enough. Good excuse for asking for another, or for one that is so handsome, when you can call it a Christmas gift; and this offering includes superb gowns that have been marked as much as a hundred and fifty dollars. Fine gifts, indeed. But they won't cost that much to-day; for though the former prices were \$100 to \$150, all are marked to-day at \$75. Think of it!

They are the very dressy Tailor-made Suits—heavy enough for Winter wear, with furs at the neck, and a golf vest under the coat. The suits are mostly one of a kind, so that description is impossible, except to say that they are made of beautiful cloths and velveteens, in the most charming long and short coat models, artistically trimmed, and richly lined throughout with silk. Now \$75, instead of \$100 to \$150.

Then here is another group—\$45 to \$75 SUITS TO-DAY AT \$35. Made of zibelines, chevrons, broadcloth and fancy materials, with long or short coats, prettily trimmed and silk-lined throughout. All at \$35.

Second Floor, Broadway.

## A Pre-Christmas Sale of FINE UMBRELLAS

For Men and Women

The manufacturer decided that his Christmas trade was over just in time for us to catch the last few days of our; and to enable you to give a splendid gift for much less than you could have possibly hoped. For these Umbrellas have the fine and beautiful handles that make the very choicest gifts. These two groups:

Men's and Women's \$6.50 to \$10 Umbrellas at \$5

Best pure silk covers, and a most elaborate variety of new and beautiful handles.

Men's and Women's \$5 Umbrellas at \$3.90

Another collection that would be counted most beautiful, except only for its finer neighbor told at \$10.

Shown to-day on special counter on Second floor, east of Rotunda.

At the regular Umbrella Counter, of course, are all sorts of Umbrellas for men, women and children, from \$1 up—yes, up to \$75 each.

## Art Wares that save many dollars to buyers of fine gifts.

And a fine collection is included.

Here are French Bronzes—handsome pieces that have been selling at \$12 to \$15; today at \$10 each.

\$17.50 pieces at \$14. \$37.50 pieces at \$27.50.

\$25 pieces at \$18. \$50 pieces at \$37.50.

Then here are Marble Busts and Figures—superb gifts, that save enough for another nice present:

\$27.50 pieces at \$20. \$50 pieces at \$35.

\$40 pieces at \$27.50. \$75 pieces at \$50.

And 15 pieces at \$12.

One very fine Royal Bonn Vase, standing 53 inches high, with exquisite head decoration, surrounded with flowers and gold. Imported to sell for \$300, which price it is well worth. Now marked at \$200.

Art Wares Salon, Basement.

## Sterling Silver casts the same

glisten and shimmer over the table of Christmas gifts as when it shines among the wedding presents. And there's many a charming bit, fashioned with artistic care, among this collection of silver for the dinner-table and sideboard—pieces that are well worth handing down as heirlooms.

Newest patterns, mostly floral, as well as the conventional old favorites, are here in profusion. And fancy profits are eliminated.
